\*\*Létter from the Hon. Jacob Broom, cheirman of the Committee on Revolutionary Pensions.\*\*

House or Russasserratures, United States, Washington, May 19, 1856.

My dear sin: I have been pleased to meet with you once more after the lapse of so many years; and I desire to avail myself of an early opportunity to add my thanks to those you must have received from many others for your labor and care in the compilation of the laws of the United States relating to pensions and bounty lands, a copy of the stereotype edition of which I have in my possession. Ille continues to be, of interest to the great American family. The circumstances under which those for revolutionary services were provided are of a highly interesting character.\*

It was never the design of our fathers that the system should be partial, giving to some while it withholds from others equally deserving. Your arrangement of the laws, therefore, while it presents in deciencies and omissions which render the system incomplete. Your work I have found of incalculable value to me in my position as chairman of the Committee on Revolutionary Pensions, for, without I, I should have been subjected to the labor of a close examination of the statutes; and from the frequency of my recurrence to it I have been able to test its merit and appreciate its worth.

I am, my dear sir, most respectfully and truly, yours, Dr. R. Mayo.

Letter from General Cass.

The system has become so extensive that some such compilation was indispensable, and I congratulate all who are obliged to took into the subject of those laws upon the able execution of your labors.

I am, dear sir, respectfully yours,

Dr. Rosser Mayo.
